Thanks 62.43

for your inquiry regarding our catalog. The catalog is in the hands of the printers and should be mailed to you about the middle of February.

We are sure you will find this catalog worth waiting for a short time because the values contained

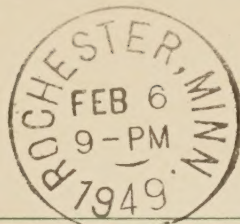

therein will enable you to obtain the finest Mums at money saving prices.

The catalog lists all the new Chicago or Dr. Kraus' introductions and all the hardy University of Minnesota Mums besides a good many standard garden varieties. 68 in full color.
